**EUROPA**

The EUROPA journey began in the year 1984 with the Mission "ANTI-THEFT ENGINEERING". Dr. P. A. Joshi after studying in Germany, founded this Company in the Cultural and Industrial city of Pune. Since then, **Welmade Locking Systems Private Limited** has carved for itself an enviable niche in the Indian Market.

**Dr. P. A. Joshi**

*Founder & Chairman*

Who believes in disruptive innovation and continual development.

We constantly INNOVATE to design and manufacture locks with best-in-class features meeting Global functions, finish, load (strength) & life (warranty) standards.

---

## The Europa Edge

More than 35 years of excellence with single point ownership of the complete process (Research & Development, Design, Manufacturing, Marketing, Sales & Service) to ensure end to end ANTI – THEFT locking solutions for our customers. On a mission of preventing theft across country and make India theft free, safe and secure place to live in and providing ultimate Peace of Mind.

100+ IP Registrations  
& Applications  
(Patent, Design, Etc).

500+ theft site visits & 1000+  
ANTI-THEFT trials for  
"ANTI-THEFT ENGINEERING"  
expertise.

Every product goes through  
more than 50+ ANTI-THEFT tests  
in a controlled set up on actual  
doors during development.

Experience of 5 million  
installations through 200+  
trained technicians  
across India.

EUROPA, a trusted name by millions of people to keep their loved ones safe and secure with everlasting peace of mind.

We have secured more than 25 million Homes for over four decades as a result of our innovations and Anti-Theft Engineering expertise. We have rapidly evolved from being a Leader in Mechanical Anti-theft Locking Solutions to foray in to Smart Digital Locks to satisfy the everchanging demands of our astute customers with respect to 'Change is the only Constant' philosophy.

We offer a very wide range of Mortise Electronic Locks with various advanced features for better security, strength & convenience. The range is crafted with perfection...
